After years of stifling regulation under Obama, I'm unleashing America's energy potential.
Largest crude oil producer in the world and production has hit a record high.
Policies helping to boost energy exports.
Streamlined Liquefied Natural Gas terminal permitting.
US a net natural gas exporter for the first time in 60 years.
Coal exports increased by more than 60% in 2017.
Expanding access to our country's abundant natural resources.
Legislation to open up energy exploration in the Alaska National Wildlife Refuge.
Department of the Interior announced it would hold the largest oil and gas lease sale in history: 2018.
Approved construction of the Dakota Access pipeline and the cross border permit for the Keystone XL pipeline: 2017.
Issued permits for the New Burgos pipeline that will export American petroleum products to Mexico.
Cut Obama-era regulations such as the Stream Protection Rule which was estimated to cost coal industries $81 million a year.
Replacing the Clean Power Plan, a flawed Obama-era regulation that the Supreme Court ordered halted.
Rescinded the hydraulic fracturing rule, which was expected to cost the oil and gas industry $32 million per year.
Curbed Obama-era rule on methane, saving American energy developers hundreds of millions of dollars in regulatory costs.

GDP
Real gross domestic product growth exceeded 3% over last four quarters. Real GDP grew at annual rates of 3.4 % in the third quarter of 2018 and 4.2 % in the second quarter.

ECONOMY
Consumer confidence soaring recently reaching an 18-year high.
Trump delivering on promise bringing back American manufacturing.
The National Association of Manufacturers' Outlook Index had the highest annual average in its history over the past year.
Manufacturing added 284,000 jobs in 2018, the most added in a year since 1997.
Small Business optimism jumped to a record high - survey by the National Federation of Independent Business (NFIB).
NFIB's Small Business Optimism Index broke a 35 year record in August.
Signed Tax Cuts & Jobs Act into law, ushering in the largest package of tax cuts and reforms in American history which are delivering real results for American families and workers.
More than 6 million workers received tax cut bonuses & benefits.
American workers receiving training and education they need to compete in today's economy.
More than 100 utility companies have announced lower rates.
EO establishing the National Council for the American Worker.
180+ companies & associations have signed our "Pledge to America's Workers" promising more than 6.4 million new training and career opportunities.
Legislation re-authorizing the Carl D. Perkins Career & Technical Education Act, making $1 billion+ available for career education.

JOBS
More than 5 million jobs have been created since election.
Unemployment rate remains below 4%.
Eighth time this year unemployment rate has been below 4%.
Prior to this year, the unemployment rate had fallen below 4 % only five times since 1970.
Unemployment rate for African Americans in May fell to 5.9% - lowest rate on record.
Asian and Hispanic-American unemployment rates reached record lows this year.
Initial weekly jobless claims have hit a nearly 50 year low.
Jobs outnumber the unemployed for the first time on record.
More than two-thirds of Americans rated "now" as a good time to find a quality job, tying a record high in a poll by Gallup.

INCOME
In recent months, workers have seen their largest nominal year over year wage growth in nearly a decade.
More money in your pocket thanks to the booming economy.
Real median household income rose to a post-recession high.
Policies are helping to lift Americans out of poverty.
African-American & Hispanic-American poverty rates reached record lows of 21.1 % and 18.3 %, respectively, in 2017.

WOMEN
Prioritized the economic empowerment of women.
Women's unemployment at its lowest rate in 65 years.
Small Business Administration lent approx. $930 million more in capital to women-owned businesses in 2017 than in 2016.
Helped launch the Women Entrepreneurs Finance Initiative - Could leverage more than $1 billion to support women entrepreneurs.

President Trump's Midterm Accomplishments

BOOM!!!

"The American People will come first once again. My plan will begin with safety at home – which means safe neighborhoods, secure borders, and protection from terrorism. There can be no prosperity without law and order."

1. "No dream is too big. No challenge is too great. Nothing we want for our future is beyond our reach."
   - 95% of manufacturers have record optimism for the future
   - 74% rate life as good or excellent, highest rating recorded by Rasmussen
   - Gallup reports satisfaction with US direction highest since 2005
   - Small business optimism hits 35-year high
   - Housing confidence hits record high
   - Trump's approval with Republicans is at 90%
   - Black support more than doubles to 36%
   - Hispanic support up 10%
   - Consumer confidence hits 18-year high
2. "America will start winning again, winning as never before."
   - Cut more regulations in one year than any administration in history, releasing the shackles on small business (22 regulations cut for each 1 added)
   - Signed Tax Cuts and Jobs Act into Law which:
     - Defunged Obamacare by eliminating the individual mandate
     - Opened up federal lands for drilling and fracking to help achieve energy independence
     - Assured tax relief for the middle class
     - Doubled the child tax credit
3. "Together we are building a safe, strong and proud America."
   - GDP growth booms to 4.1%
   - Fueled the stock market into the longest Bull Market in history
   - Every stock index hits all time highs
   - Created 3.9 million jobs
   - Pay raises hit 2.8%
   - Fewest unemployment claims since 1969
   - African-American unemployment stands at the lowest rate ever recorded
   - Hispanic-American unemployment has reached the lowest levels in history
   - 2 million recipients off food stamps in first year – saving $3 Billion annually
   - Black business ownership grew 400% in 1 year
   - Reduced debt to GDP ratio – 1st time in 50 years reduced by more than 1% in first year of Presidency
4. "As we strengthen friendships all around the world, we are also restoring clarity about our adversaries."
   - Successful trip to nations of three major faiths: Islam, Judaism and Christianity
   - Visited South Korea to strengthen commitments
   - Met with North Korea Kim Jong Un to denuclearize the Korean peninsula
   - Addressed the UN, vowing to protect US against rogue nations

- Encourages businesses to **repatriate money** (kept off-shore due to previous high tax rates). They are expanding in America and investing in employees.
- Tax cuts on path to substantially **pay for themselves** through increased revenues
- For each job lost to tariffs, **created 20 jobs**
- Signed a **$1.2 Billion investment in career and technical education**
- Recognized **Jerusalem as Israel's capital**, demonstrating his support for the sole democracy in the Middle East
- Attended the World Economic Forum in Davos, Switzerland, **going head-to-head with globalist elites** who desire to take down America
- Empowered the military and **defeated ISIS in Iraq**
- Met with Putin to discuss ways to **solve issues** in countries like Syria

**"As President of the United States, my highest loyalty, my greatest compassion, my constant concern is for America's children, America's struggling workers and America's forgotten communities."**

**Joint Statement of the United States, the Kingdom of Bahrain, and the State of Israel**

President Donald J. Trump, His Majesty King Hamad bin Isa bin Salman al-Khalifa of the Kingdom of Bahrain, and Prime Minister Benjamin Netanyahu of Israel spoke today and agreed to the establishment of full diplomatic relations between Israel and the Kingdom of Bahrain.

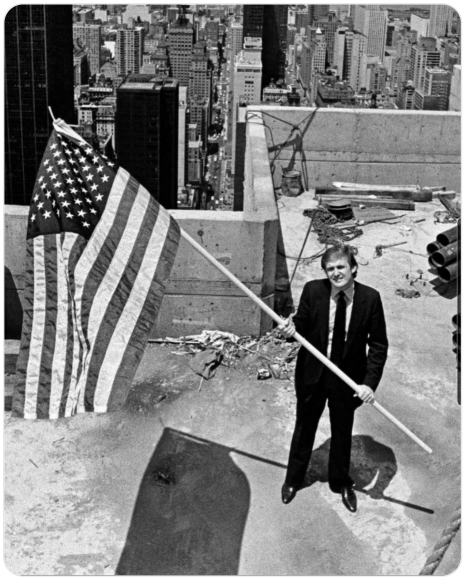
This is a historic breakthrough to further peace in the Middle East. Opening direct dialogue and ties between these two dynamic societies and advanced economies will continue the positive transformation of the Middle East and increase stability, security, and prosperity in the region.

The United States expresses its gratitude to the Kingdom of Bahrain for hosting the historic Peace to Prosperity workshop in Manama on June 25, 2019, to advance the cause of peace, dignity, and economic opportunity for the Palestinian people. The parties will continue their efforts in this regard to achieve a just, comprehensive, and enduring resolution to the Israeli-Palestinian conflict to enable the Palestinian people to realize their full potential. Israel affirmed that as set forth in the Vision for Peace, all Muslims who come in peace may visit and pray at the Al Aqsa Mosque and Jerusalem's other holy sites will remain open for peaceful worshippers of all faiths.

King Hamad and Prime Minister Netanyahu express their deep appreciation to President Trump for his dedication to peace in the region, his focus on shared challenges, and the pragmatic and unique approach he has taken to bringing their nations together.

The parties commend the United Arab Emirates and Crown Prince Sheikh Mohammed bin Zayed for his leadership on August 13, 2020, in announcing full diplomatic relations with Israel.

The Kingdom of Bahrain has also accepted President Trump's invitation to join Israel and the United Arab Emirates at the historic signing ceremony on September 15, 2020, at the White House where Prime Minister Benjamin Netanyahu of Israel and Foreign Minister Abdullatif Al Zayani of Bahrain will be signing a historic Declaration of Peace.



PRESIDENT OF THE UNITED
