

20:50:57 <Vimes> you're either lying or being lied to
20:51:03 <Vimes> I suspect the latter
20:51:14 <penguinx> Sorry?
20:51:40 <penguinx> what are you talking about?
20:52:18 <penguinx> the Daniel Schmitt stuff?
20:52:20 <Vimes> yes
20:52:27 <penguinx> Why do you say that?
20:53:05 <Vimes> do you know the circumstances of the suspension and the immediate aftermath?
20:53:34 <penguinx> Yes in fact i do
20:53:47 <Vimes> then you know he was not "fired"
20:54:28 <penguinx> he was suspended that i know, if you think or if you know more than i do, than please tell me
20:55:10 <Vimes> have you seen the log of the meeting that took place shortly after the suspension?
20:55:32 <penguinx> No
20:56:10 <Vimes> that meeting was concerned with ways to reconcile the two sides
20:56:23 <Vimes> and it was made clear that the suspension was supposedly a temporary thing
20:56:33 <penguinx> do you have the log?
20:57:01 <Vimes> yes - but I have no trusted way to get it to you - sorry
20:57:22 <penguinx> <https://cryptbin.net/index.php>
20:57:22 <Vimes> you might try asking j about it
20:58:21 <penguinx> you can use cryptbin, i think we both now j would never talk about it
20:58:31 <Vimes> ah
20:58:51 <penguinx> that is if you know j,
20:58:53 <Vimes> so you do know he's not too reliable in that way
20:58:59 <Vimes> good
20:59:46 <penguinx> ?
21:00:58 <penguinx> Basicly you can say what ever you wan't to me, i don't know who you are, and at least so far, you haven showed me no proof
21:01:47 <Vimes> <https://cryptbin.net/?id=xZq> -- donttellhim
21:02:28 <Vimes> this made it into the hands of certain people besides the participants, too
21:03:18 <Vimes> the reason I'm giving you this is because I want to be sure that people know what's going on
21:03:31 <Vimes> especially those who need to know
21:12:22 <penguinx> when did this accure?
21:12:44 <Vimes> about a month ago
21:12:49 <Vimes> don't remember the exact date
21:13:51 <Vimes> looking it up, hang on
21:15:01 <Vimes> August 26th
21:15:18 <Vimes> so very close to a month ago
21:19:12 <penguinx> how many people know about this:P? just curious if im the only one that didn'T know
21:20:45 <Vimes> I doubt it
21:21:14 <Vimes> as far as I know the people present and a small number of others
21:21:28 <Vimes> most notably both s and m have seen the log
21:21:50 <Vimes> but since you've been put in a position of talking about those things ... you ought to know
21:21:52 <Vimes> that's all
21:22:12 <Vimes> the Spiegel report is misleading
21:22:15 <Vimes> but so is the tweet
21:23:19 <Vimes> the second meeting that's talked about there never happened
21:23:37 <Vimes> even though it was pressured for a number of times

21:26:10 <penguinx> i know who everybody are but not m, who's m?
21:26:22 <Vimes> tech guy
21:28:20 <Vimes> I believe most of those people don't trust you
21:29:03 <Vimes> but I don't care - if this stuff is being kept from you, you should know
21:36:48 <penguinx> alot of questions are going through my head right, don't think you could answer them, but onequestion though....Who are you ?! Where Did you this? WTF:P
21:37:04 <Vimes> I won't say, sorry
21:37:25 <penguinx> Can you tell me this? are you or did you work for w1
21:37:59 <Vimes> I know who you are, and I've heard things -- and believe me when I say: I'm telling you this because I don't like people being kept in the dark
21:38:17 <penguinx> Who am i?
21:39:13 <Vimes> the person who was arrested in Iceland I believe
21:40:07 <Vimes> am I wrong?
21:40:22 <penguinx> No
21:40:47 <penguinx> and what have you heard about me....
21:41:08 <Vimes> that episode caused a lot of people to distrust you
21:41:14 <Vimes> but otherwise I don't know
21:41:27 <Vimes> you seem like a decent enough person
21:41:38 <Vimes> but there's too much bullshit going around for anyone to be sure
21:48:45 <penguinx> anything else you are willing to share with me
21:50:09 <penguinx> who's sue
21:51:57 <Vimes> someone j's connected with
21:52:00 <Vimes> don't know more
21:53:36 <Vimes> the important bit is this: s was not 'fired'
21:53:50 <Vimes> saying so now is twisting the truth
21:54:13 <Vimes> your choice what you do; but at the very least you should know that it's not the truth
21:54:28 <penguinx> Thank you:)
21:54:52 <Vimes> you're welcome
21:56:32 <penguinx> What do you think i should do with this
21:57:06 <Vimes> my preference would be that you keep it to yourself
21:57:37 <Vimes> but be skeptical of everyone
21:57:44 <Vimes> you were right to be skeptical of me :)
21:58:26 <penguinx> have you confronted this with j?
21:58:52 <Vimes> I've confronted him with other things
21:59:10 <Vimes> he said that if I had problems with him, I could leave
21:59:13 <Vimes> so I did
22:25:27 <penguinx> what is #mission1st?
22:26:42 <Vimes> the channel where this took place
22:27:03 <Vimes> don't think there's anything there now
