At 4 pm EDT Sun. afternoon 18 Oct. the RV was released. As of 5:30 pm EDT Sun. 18 Oct. the process was underway for the new rates to be locked in and the release algorithm to be run overnight.

Mon. morning 19 Oct. 11 am EDT was the final RV team meeting for final briefings and protocols to be decided. All was pushing out successfully for liquidity to be released to paymasters Mon.-Tues. 19-20 Oct. and for a Tier 4B start any time between Tues. 19 Oct and Thurs. 22 Oct.

Last Thurs. 15 Oct the IMF made a soft announcement about a Global Financial Reset Revaluation of the world's currencies by saying that the world faced "a new Bretton Woods moment," while in the financial news, Bloomberg reported on this weekend's "Big Bank Reset."

The Bahamas announced they were resetting their banking and monetary system next Tues. 20 Oct , while NBC News reported that some time during October Cuba was resetting their monetary system to be at 1:1 parity with the US Dollar.

On Sat. 17 Oct. an Iraqi Parliament vote on the new Iraqi Dinar rate was seen as the legal kick-off for the global RV Shotgun Release from this weekend through this coming week. By that Sat. evening 17 Oct. the RV teams in DC, Reno and elsewhere went under lockdown.

Dr. Charlie Ward who received Intel direct from the White House, reported that all 176 countries and 31 territories of the world that signed on to the 2013 Gold Treaty were now on the Quantum Financial System and were implementing GESARA measures.

The World Health Organization (WHO) was now saying that the C19 lockdowns needed to be lifted. This was believed reported because of a massive lawsuit launched by an international network of lawyers who were preparing a class-action lawsuit against WHO and those responsible for the global lockdowns.

GALACTIC FEDERATION - CHOOSE YOUR OWN DESTINY

🔗 <https://youtu.be/DxY2uP2Mwpo>

NOTE ON PREPARATION ...

Please read well so that you can understand the extent of what happened -

HUMANITY MUST BE PREPARED AS FAST AS POSSIBLE ...

In 3 weeks (around mid-October) a cosmic event will occur for which humanity will have to prepare.

Stellar beings speak:

"A galactic collective would like to speak to you about some of the upcoming updates to the collective DNA templates.

We are a collective of Arcturian star beings, part of the Galactic Federation of Light, which advocates the transition of life forms on the planet to higher dimensional frequencies.

We appreciate the opportunity to speak to you and ask you to forward this transmission to those who will resonate with this message.

In 3 weeks (around mid-October) a cosmic event will occur for which humanity will have to prepare.

The transition to 4-dimensional density is taking place, and this will directly affect the stability of the planet.

The {human} consciousness must be prepared to experience a certain phenomenon that will appear particularly unusual in the sky.

You have to stay away from fear.

A (galactic) intervention has become necessary to help humanity and the planet Gaia to keep pace with the acceleration of other ascension related phenomena occurring throughout the cosmos.

The change of ascension that is taking place on your planet will move with hyperspeed or overdrive.

Time is collapsing towards the point of cosmic neutrality much faster and people must deal dramatically with its alignment in order to integrate these frequencies.

We come to warn / warn of readiness.

Because what is to come will shake central life as you know it. "

(Tatanka is shown how many spaceships begin to orbit the globe and manifest / materialize out of nowhere.

They are parked and watching.

The frequency of these ships interacts with the frequencies of the earth.

These ships create a force field / dampening network that is created to dissipate any vibratory shocks from what is approaching Earth 😊

"There are cosmic phenomena that affect the planet's magnetism.

The earth has moved into another vibrational and dimensional space (4th density).

It traverses a zone where other 'indigenous' celestial bodies / forms in its orbit along its course pose a potential danger ".

(Tatanka is shown Gaia switching from 3D to 4D, where there are planets that we don't normally see in the sky, such as Nibiru.

These other planets / asteroids will affect the earth, mainly energetically, as it moves through this corridor.

It is a difficult journey for you to find your way around).

"Many messages aim to skew the frequency and the facts.

Mixed messages aimed at distracting the crowds and diverting focus from what is really IMPORTANT at this point in time.

There are many distractions on your planet to prevent humanity from being prepared for the real challenges that lie ahead.

It is IMPERATIVE that humanity is beginning to accept that what you see and know deep within you is true. Thousands of our ships and beings have come from everywhere to help with this transition. .It is of great interest to Gaia and the star-races sown upon her who have incarnated through her, the great stargate that she is, that we have all come to ease the changes that are quickly upon us. PREPARE YOUR PHYSICAL BODY.

The best way to do this is too quickly.

Start intermittent fasting as soon as possible as this allows for a very quick change in frequency.

It will allow you to redirect the energy currently used for digestive and metabolic processes to improve neurological systems.

At this point, a fast of at least 16 hours per day is required to assist us with a scheduled intervention so that we can make the necessary updates to the nervous system templates so that a rate adjustment can occur while Gaia is on moved through this transition field of magnetic change and increased radiation and photonic activity.

It will allow you to redirect the energy currently used for digestive and metabolic processes to improve neurological systems.

The updates are made in holographic form by working with the soul group templates.

Star beings help through our (healing) chambers to bring mankind radically up to date with these vibrating changes.

Your systems will be manually upgraded.

We have to intervene in the organic processes that no longer have time for the human collective in order to achieve the optimal level of DNA activations required for the safe integration of a frequency acceleration.

We have received special permission and empowerment to intervene directly in the awakening of humanity and to help reconnect the templates because the organic process (ascension / evolution) is negatively impacted beyond human ability of its own Strength to attain an ascended state. We have to intervene in the organic processes that no longer have time for the human collective in order to achieve the optimal level of DNA activations required for the safe integration of a frequency acceleration.

Hence, our help is needed to establish the alignments that will allow the flow and integration of the intense frequencies of light and changes that will affect your planet in the weeks and months to come.

In addition, there are areas at the level of the earth's body that are still in a compromised state.

If Gaia cannot integrate these higher frequencies (due to density and trauma blockages) cataclysmic events will occur.

We are talking on a biophysical level.

The body of Mother Earth is in dire need of help so that these frequencies can move through her with ease.

We are promoting an accelerated ability to sustain the integrity of Gaia's body as it moves through this 4D transition zone.

This is not the alien revelation in the way you understood it.

It is an intervention by the Alliance to provide massive aid at this critical time.

However, there will be certain phenomena in the sky.

They [the mainstream media, the fallen] are trying to create what you call "false flags" in order to distract.

Much of humanity is just looking down, here on earth, and while you are focusing [on dramatic constructs] you may not be aware of what is really going on in the whole cosmos and within you.

"SECOND WAVES, INCREDIBLE EXPLOSIONS, POLITICAL CHARACTERS ON THE SCREENS THAT PRETEND TO BE RIVALS ... DISTRACTIONS "!

In these times it is of great importance to exercise discernment.

All kinds of manipulations abound.

The evaluation of information through one's own vibration resonance is fundamental during this time.

Prepare yourselves. You will know the moment we are talking about.

Your personal focus has been on the sky the most recently, hasn't it?
The sun seems to be setting in a different place, or the sky and sun sometimes have a strange tone.
It is WE who draw your attention to heavenly space,
Keep an eye on the sky! The signs will come. Be in the heart space and help us to help you (humanity) to realign your neurological and energetic circuits.
